Coins and medals are sold at so much per piece, U. S. proof sets excepted. You cannot bid for *one piece* in a lot. If a lot contains ten pieces, and you desire to offer \$2 for it, make your bid 20c. The auctioneer will accept an advance of 1 cent up to 50c., then 5c. up to \$2.50, when 10c. is the limit, up to \$10, and thereafter not less than 25c. Hence any bid up to 50c. can be entertained, but after that the bid must be 55c., 60c., and so on. Such offers as 53c., \$1.01, and all intermediate figures are unavailable.

My terms for buying are 10%, and I make no charge less than 25 cents.

 Auction Sales are strictly for cash. Parties unknown to me must send a deposit covering at least 25% of their bids, otherwise they will not be accepted. Collectors are urgently requested to forward their favors early.

- 500 574 — ★ TRADE & AGRICULTURE ★ - LOWER CANADA A bouquet of flowers. R BANK TOKEN - MONTREAL Within a wreath,  $\frac{1}{2}$  | PENNY Edge plain. B. 673. Uncirculated, partly bright; Excessively rare. 1

The only specimen of this distinguished Halfpenny (of the Bouquet type) that I am able to trace, takes us back to 1871, 33 years ago, while its obverse

partner (No. 672) appeared in the Levick sale in 1884, when it was purchased by the late Jas. Oliver for \$62.

To acquire a specimen of this marked type, may truly be said to be the opportunity of a life-time. Anticipating the usual custom of patrons to ask my opinion of its value, or the price at which it is likely to sell, I will state that after comparing the various rarities in the Canadian series and considering the number of times they have appeared, or known to be in cabinets, I feel justified in asserting that it is worth not less than \$100.
